MRI-GUIDED SURGERY AND INTERVENTION

Saturday, October 16, 2004
7:30am-12:00

Cambridge Marriott
2 Cambridge Center
Boston, MA 02142

4.2 CEU’s

This program is designed for nurses and MRI technologists working at hospitals with existing or developing MRI-guided operating rooms.

The goal of this session is to share knowledge and experience regarding image-guided surgery and interventions in the MR environment.
